First International Solo Birthday Trip with Firgun

Dec 2024 • Solo

Honestly words would fall short to describe my recent trip with Firgun for **vietnam** on New Year'25. Right from the first interaction with their sales team, itinerary, accommodations, transportation and co-ordination, everything was seamlessly managed by team Firgun.

Went solo and I upon returning I almost cried as if I am leaving behind my family, such is the magic of Firgun. They make you feel comfortable and special. Right from the 1st day of the trip everybody felt so at ease with each other and the tribe was formed. The days which followed just created pure unadulterated fun. It's unbelievable that all of these 19 were sheer strangers to me just 10 days back.

Anany wasn't just our trip leader; he was the group's dedicated travel BFF. Equal parts kind, gentle, and somehow always knew who needed a pep talk or a push into the pool or just a hug! He is the reason behind the incredible bonds formed amongst everyone on the journey ❤️

Total recommended for a solo traveller.

You will experience a transformational soulful journey ✨
