

SHANGARH

Perfect weekend getaway

5th – 7th Sept

Shangarh For Us

Shangarh, for us, is not just a place—it's a pause.
A slow, soulful escape into Himachal's untouched gem,
where meadows stretch endlessly, silence feels sacred,
and nature invites you to just be.
It's the warmth of local stories, the joy of slow mornings,
the laughter around bonfires, and sunsets that make
you feel small in the best way.
And in that stillness, we find Firgun moments that stay
with us, long after we leave.

A scenic view of a mountain valley. In the foreground, a lush green hillside is dotted with small houses and a prominent white stupa with a red roof. The background features steep, forested mountains under a blue sky with scattered clouds.

Begin the day with a scenic drive through the lush green valley to reach the serene Shansher Waterfalls, where you can dip into the refreshing natural pool, swim, and chill around the rocks surrounded by pine forests and mountain breeze. After soaking in the cool waters and calm vibes, return to the iconic Shangarh Meadows for a laid back Firgun style picnic (chai, light snacks, music, and barefoot strolls as the sun dips behind the hills). As night falls, gather around the bonfire for a warm evening of music, games, and stories, closing the day in true Firgun fashion.
