

# SURPRISE TRIP

SECRET ITINERARY TRIP

12<sup>th</sup> to 14<sup>th</sup> SEPT

READY FOR THE

UNKNOWN?

STARTS FROM DELHI

# NOTE FROM THE FOUNDERS

What if we told you that the most unforgettable trip of your life might be one where you don't even know where you're going?

That's right. This time, there's no itinerary, no fixed plan, and no location revealed. All we ask is for you to say yes, to curiosity, to trust, to the unknown.

At Firgun, we've always believed that the magic lies beyond the familiar. That adventure begins where comfort ends. And so, we've created something bold, something new, a surprise trip designed not just to take you to a new destination, but to awaken a new side of you.

**"The destination gives you the merit, but the journey gives you the memories."**

Each day will be a story. Each turn, a surprise. Each moment, an invitation to feel more alive than you've felt in a long time. We promise thrill, laughter, warmth, and a sense of belonging, even among strangers. Especially among strangers.

This isn't just a trip. It's a leap of faith. In us. In yourself. In the beauty of not knowing.

So, pack your bags, leave your expectations behind, and bring your most open-hearted self. Let's co-create a journey that will live in your heart long after the trip ends.

With love,  
Team Firgun ❤️

### One of a kind experience

Sep 2023 • Solo

If you're looking for adventure and human connections, this is your place. The **Surprise trip** i embarked on, turned out to be a super happening and one of a kind. Every day and night was filled with different experiences and fun time with people. The **trip** leaders, Tanvi and Anany made sure we had a great time!

I would strongly advise anyone searching for a unique and thrilling travel experience to plan a **surprise** vacation. It's a journey that keeps you on your toes, makes you appreciate the thrill of the unknown, and leaves you with lasting memories that you'll cherish for the rest of your life. Also, I really recommend taking a leap of faith with firgun for such an adventure; believe me, I'm not the type of person who enjoys **surprises** or is at ease with the unknown, but I'm glad I stepped out of my comfort zone and signed up for this **trip**; it's been a whole new and great experience for me.

And a huge thank you to our **trip** leaders Anany (needs no introduction 😊) and Tanvi (new **trip** leader & most fun loving & comforting girl I have ever met, there wouldn't be a single dull moment with her believe me) for organizing such fun game nights and keeping us engaged and taking care of everyone. ❤️❤️

### Blind Date with Firgun ❤️

Oct 2023 • Solo

Recently, I embarked on a thrilling **surprise trip**, not knowing where I was headed until the very moment of arrival. The excitement and anticipation throughout the journey were truly unforgettable. When the destination was finally unveiled, it felt like an adventure straight out of a movie. The element of **surprise** added a sense of mystery and adventure to the entire experience.

This unexpected **trip** was a terrific way to get out of the ordinary and try something different. It reminded me of the fun of being spontaneous and the wonder of discovering new locations without preconceived assumptions. The experiences made on this journey will definitely be treasured for the rest of one's life.
