CHRISTMAS & NEW YEAR'S SPECIAL

Georgia for us

Georgia is where history, mountains, wine, and warm hospitality come together, but for us, it's always been more than just a destination. The last time we went, we started out as strangers, yet came back as family. Those bonds were so special that reunions are already being planned and that's the Firgun magic Georgia always leaves us with.

And now, we're going back, this time for Christmas and New Year! Imagine Tbilisi lit up with festive markets, cozy wine toasts by the fire, snow adventures in Gudauri and Kazbegi, and ringing in the New Year under the fireworks of Freedom Square. Add Batumi's sparkling boulevards and Kakheti's warm wine valleys, and every day feels like a celebration.

For us at Firgun, Georgia isn't just a trip. It's about togetherness, laughter, and creating stories you'll hold close long after you're back home. This December, come celebrate Christmas and New Year in Georgia with us, and with family you didn't know you had.
