# THAILAND

*For us*

*Every visit to Thailand makes us find something unique about this place's history and culture that is just so spectacular, its enchanting beauty always makes us spellbound.*

*For us, Thailand has been about catching those mesmerizing sunsets by the sea, scuba diving past the exotic marine life, exploring hot springs amid a jungle, and being part of exuberant parties the whole world awaits. It's a place that'll offer peace as well as some much-needed entertainment which makes it, all the more, a perfect destination to unwind.*

*We have had some crazy bonds developed during the Thailand trips and also multiple reunions. It's a trip you definitely don't want to miss!*
