

WAYANAD, KERALA

23RD TO 26TH MAY'24

WAYANAD FOR US

Wayanad is one of our favorite locations in India. Kerala is called 'God's Own Country' for a good reason. The beauty that lies within this region is like no other, and Wayanad is its best-kept secret.

From breathtaking waterfalls to adventurous hikes, from lush green forests to infinity pools and camping sites, this trip has got it all. We will be hiking and camping in the wild, diving into varied waterfalls, witnessing some of the most gorgeous water streams, and whatnot.

For all the adventurous souls and water babies out there, you don't want to miss out on this one.

Now, imagine doing all this with a bunch of strangers. What could be better?

DAY 1: REACH EARLY AT THE PROPERTY AND HEAD FOR SPEED BOATING AND OTHER WATER ACTIVITIES AT ASIA'S LARGEST DAM-BANASURA SAGAR DAM. O/N WAYANAD

Land by 9 AM by flying into Kannur Airport. Do check with us once before booking your flights about both timings and the airport.

Note: If you choose to come from Bangalore via overnight bus, you can contact us for the same.

After checking in, we will freshen up and head to the beautiful Banasura Dam, the largest dam in Asia.

It's a nice drive where we will experience lush green valleys, hills, and villages. At this time of the month, everything looks pretty in Kerala.

Thereafter, we'll go for one of the fastest speed boat rides. Gear up because this is a splendid ride where you will witness various islands.

**DAY 2: TRANSFER TO JUNGLE CAMPS IN 900
KANDI, WATERFALL HIKE, AND BONFIRE
NIGHT. O/N WAYANAD**

Post a delicious South Indian breakfast, we will check out by 11 am and head to our camping location in the middle of the jungle. This beautiful location is accompanied by varied hikes, waterfalls, etc. Once we check into the camps, we will have lunch there and hike to a waterfall. Carry your dry-fit clothes and swimsuits, because we will be diving into this gorgeous waterfall.

You can put your legs in the water/jump in and enjoy the cold water which will make you scream with joy.

We will get some great shots, enjoy the waterfall, play games and after our hearts are full, come back from the hike for a fun-filled bonfire night. Let's feel free and dance to the music, sing together, and bond with the beautiful souls whom we have met on this trip.

A woman with long dark hair, wearing a red sports bra and black shorts, stands in front of a large, multi-tiered waterfall. She has her arms outstretched to the sides and is looking up at the water. The waterfall is cascading over dark, wet rocks, creating a misty spray of water. The background is a dense, green jungle.

DAY 3: STREAM HIKE, WATERFALL HIKE, AND BONFIRE NIGHT. O/N WAYANAD

Today is one of the most exciting days of the trip.

We will be starting the day with an exquisite stream hike. We will wake up early, hop out of our beds, put on a jacket, and hike to this beautiful water stream in the jungle. It is going to be an adventurous experience, so be ready for it. We will probably be the only ones doing the hike because these hikes and waterfalls are accessible only to the people living in the Jungle camps and cabins.

After having some fun hiking this stream, we will come back for an even more exciting day ahead. We will head to our personal favorite waterfall. This waterfall is no less than the waterfalls of the Northeast.

The last time we went there, we climbed on the rocks and sat right in the waterfall, feeling the pressure of the water, and witnessed some gorgeous rainbows. This is one place you definitely don't want to miss.

After a day's adventure of being in the waters, we'll now get ready for an exciting bonfire night, coupled with some fun games, energetic beats to dance to, a delicious dinner, and the warm company of strangers cum friends. We'll share stories and laughter under the starry sky and cherish these moments for years to come.

DAY 4: CHECK OUT FROM JUNGLE CAMP. ZIPLINING AND SOUTH INDIA'S FIRST GLASS BRIDGE. FLY BACK TO YOUR RESPECTIVE CITIES.

We will get up early morning and go for a short hike in the forest. This will be one pleasant morning walk where we will hear the birds chirping, witness the lush green beauty of the trees and valleys, and enjoy the sunlight as it spreads across the forest.

Post check out, we will embark on a thrilling Zipline experience, and fly over rich green forest covers and tea plantations.

Following, we'll head to South India's first-ever Glass Bridge, immersing you in a paradise of adventure surrounded by mountains, a breathtaking view of nature, and a mesmerizing sunset at the backdrop. Since the floor is made of glass, it'll feel like you're walking on air as the beauty of Wayanad unfolds beneath you.

Now, it'll be time to bid adieu to some wonderful people that you met on the trip. Make sure you give a tight hug to the ones who were a part of this beautiful Wayanad trip.
