From having millions of stars in the night sky, to vivid sunsets in the evening, from exploring varied islands to playing beach games, from trying out adventure sports, to enjoying the serenity of the beautiful beaches - this trip has got it all.

Today is the day when we set foot on the most gorgeous island of India – Lakshadweep.

The flight to Lakshadweep in itself will be such a mesmerising experience. So, grab the window seat, because you are in for the views of a lifetime.

You would want to jump straight in the clear blue waters as soon as you reach. But wait right there, because we have more for you today. We will visit the historical museum to witness the gorgeous marine life. If time permits, we will head to the Eastern Jetty too.

Get into your flip flops and swimwear, because it's time to get into the waters at the Lagoon beach. Be ready to witness a beautiful sunset and feel at utmost peace.

As the night draws near, be ready for some walks on the beach and a star-gazing experience that you will remember for a lifetime.

DAY 2: DAY TRIP TO A BEAUTIFUL ISLAND - THINNAKARA. BOAT RIDES, SNORKELING AND FURTHER VISIT TO SHIP WRECK AND SAND BANK NEAR BANGARAM ISLAND. O/N AGATTI

Today, we will head to the stunning island called Thinnakara, which means "This is Paradise." It is one of the most beautiful islands in the world, so get ready for some spectacular shots for your Instagram.

You will witness white sand beaches, turquoise blue waters, and clean, pristine surroundings like never before. We will also have the option to snorkel at a shipwreck site near the sand beach.

After that we will go to the banks near Bangaram. It would be like walking in a movie scene, feeling completely unreal for the first few moments. There are a lot of water sports that we can opt to do. The marine life is absolutely surreal and something not to be missed out on.

After coming back, it's time to lie down on the beach, under the stars and gaze at them. If we don't feel like getting up, let's spend the entire night out here.

DAY 3: KAYAKING, SNORKELING, SCUBA DIVING (OPTIONAL) AND OTHER WATER SPORTS. LATE-NIGHT BEACH PARTY. O/N AGATTI

Today is the day when you will tick quite a few water adventure sports off your bucket list.

First, we will take you for kayaking and snorkeling. Relish in the gasps of the marine life, as you witness Nemo, sea turtles, and varied fishes. You can also opt for other water sports like jet skiing, banana boat rides, speed boats, etc.

Scuba diving is optional, but this is one experience you just don't want to miss out on. It starts as an adventure sport, but once you dive in the ocean, you are surrounded by utmost serenity and wonder. Ready for that ZNMD moment?

**P.S. - You don't need to know how to swim to do scuba diving.
Yayayayaya!!**

**Post this, let's dress up and have a nice dinner by the beachside, and
get set for a night full of dancing, partying, games and fun.**

**DAY 4: BOAT RIDE TO KALPATTI ISLAND, GLASS
BOAT RIDE AND WITNESS A GORGEOUS SUNSET.
BEACH VOLLEYBALL AND FUN GAMES AT THE
BEACH. O/N AGATTI**

A silhouette of a person on the left is jumping high to hit a volleyball. In the center, another person stands with their back to the camera. To the right, a volleyball net is visible, with two more people standing near it. The background is a bright orange sunset sky with the sun low on the horizon.

We will start the day by having some fun on the beach, playing volleyball, and other fun games.

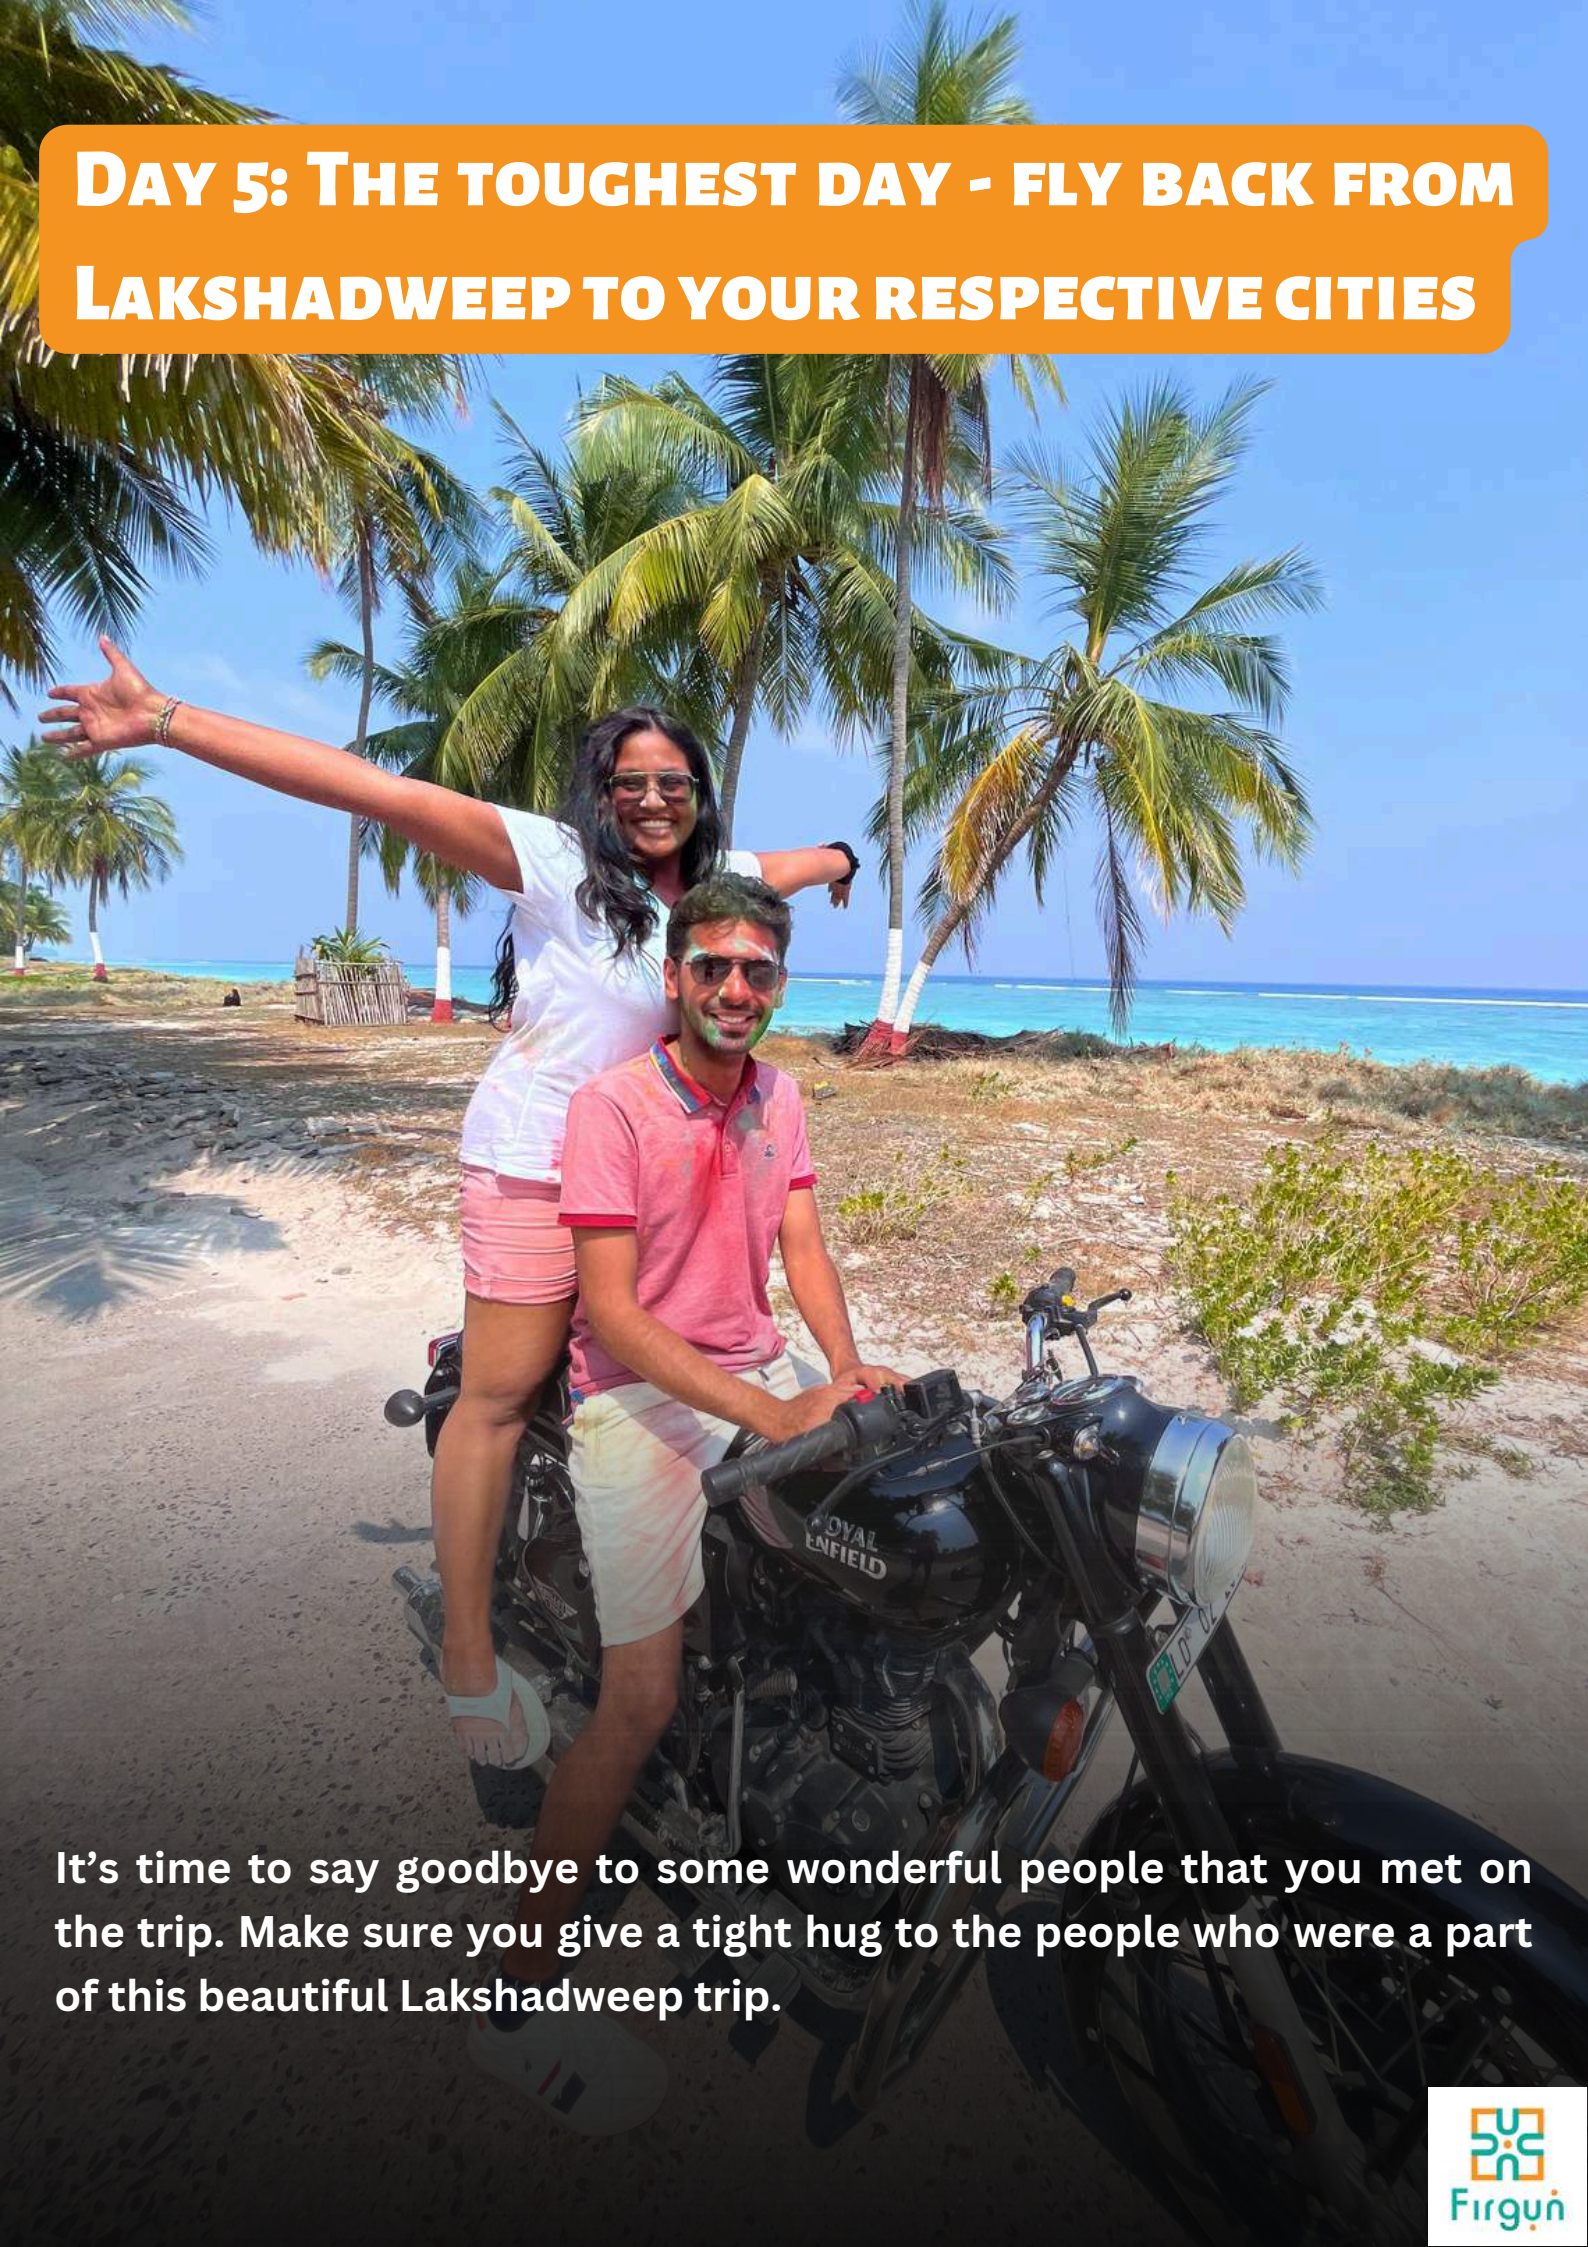

Time to don your best beach look now because we will be headed to Kalpatti island on a boat ride. The water here is a stunning shade of blue and the marine life is just gorgeous. You will feel like you are in another world altogether.

It is said that some nights you can see planktons glowing in the sea around Agatti, so don't be very surprised if you suddenly see the sea glow at night!
