MULKI FOR US

Mulki and Manipal are two towns where our hearts reside.

Our trip leaders explored Mulki at a time when it wasn't famous at all. Nestled along the scenic coastline of Karnataka, Mulki is a charming village that offers a perfect blend of natural beauty, rich culture, and adventure. The empty and clean beaches will make you not want to leave. If surfing has been on your list, this is a great opportunity to tick it off. A lot of other fun activities like kayaking, SUP, etc. make it a complete package.

Then comes Manipal. It is a town which is like home for us. Having spent a lot of years here, we want our Firgun fam to witness this magic as well. This place has everything possible and it is a town that knows how to party.

Whether you're seeking relaxation, adventure, or cultural experiences, a trip to Mulki - Manipal offers something for everyone. Pack your bags and get ready for an unforgettable getaway!

Day 1

Arrive in Mulki, Check in our hostel and head to the beach for fun filled games. Kayaking/ SUP at the beach in the evening and an optional surf session. O/N Mulki

We will leave for Mulki at around 11 pm from Bangalore. Fly in to Bangalore at any time before 6 pm. The road journey is going to be super fun with a lot of Lucky Ali songs, some dancing, games and exciting conversations.

After checking in and having some breakfast, we will head out to the beach for fun filled games. The streets of Mulki will give you a vibe that will calm down all your worries. The lush greenery and empty roads will make you fall in love with the town

In the evening, you can choose between Kayaking or stand up paddling (optional) your way to a private beach. You are a free bird here. You can play some football, say hi to a lot of starfishes, take a swim in the ocean or just sit and watch the sunset. You can also opt for a surf session in the evening if you wish.

After returning from the beach, we will have a tasty meal and then end the night with some fun games.

Day 2

The most fun day. Surfing in the morning and partying at night (the Manipal style). O/N Manipal

We will head to the surf club early morning for an exciting surf session. Surfing is probably one of the most fun water activities possible. You will be taught all the basics with utmost patience and will then be assisted in the water for the next 2 hours. You will be standing on that surfboard on day 1 itself and the feeling will be extremely liberating, you will be on top of the world.

Let us tell you a secret, you don't need to know swimming to learn surfing ;)

Post surfing, we will head back to the Surf club and have a delicious brunch.

After brunch, we will drive to this beautiful college town called MANIPAL. If time permits, we will stop at a blue flag beach one of the cleanest in India on our way.

Tonight, our stay is going to be at one of the most happening places in India. We will head out for some club hopping at night and dance our worries away.

Day 3

St Mary's Island visit. Sunset at Malpe Beach and Sea walk. Dinner in Manipal. Leave for Bangalore at night.

Waking up early after a party night is going to be tough and we respect that. After having a lazy breakfast, we will check out and head to a private Island. Yes, the Kaho Na Pyaar Hai types. A ferry will take us here and we will spend our afternoon at this pretty island called St. Mary's. A land where Vasco De Gama set his first foot has 4 beautiful islands sitting in the Arabian Sea off the coast of Malpe.

We will have a delicious meal on our way back and watch a beautiful sunset at the sea walk at Malpe. Trust us, this place will be one of the highlights of your trip.

It is now time to head back to Bangalore. We know it is going to be tough but the return journey is going to be even more fun because unlike your onward journey, this one is going to be with friends.

We will reach Bangalore early in the morning. You can book your flights for any time post 9 am.
