CHOPTA-TUNGNATH- CHANDRASHILA FOR US

Chopta to Tungnath to Chandrashila Peak is a spiritual journey for most of us. It feels like a stairway to heaven. Lush meadows, snow-capped forests and mountains, and the peace that you'll feel here will make you want to stay.

We are trekking to the highest Shiva shrine in the world and that is not an opportunity most people get.

We will also be heading to Deoriatal, a beautiful lake surrounded by snow-capped peaks. This feels like 'Pahadon ke us paar waali duniya'

Come, experience this one with us ❤️

Day 1

Arrive at Dehradun in the morning. Embark on a scenic drive from Dehradun to Chopta. Reach Chopta by evening. O/N Chopta

We will depart from Dehradun early in the morning. It'll be a fun road trip with fellow trekkers with loads of soothing music and exciting games. The road here unfolds like a canvas, painting panoramic views of the majestic Ganges River and snow capped mountains.

We'll reach Chopta by evening. After freshening up and filling our tummies with some good food, it'll be time for a trek briefing. We will mentally prepare you for the adventure that begins the next day. A little star gazing at night as well? Maybe :P

Day 2

Start the day early from Chopta. Trek to the top of Tungnath and Chandrashila Peak to witness the majestic sunrise amidst the snow covered mountains. After soaking in the beauty, trek down to Chopta and drive to sari village. O/N Sari village

It is time to rise and shine Firgun Family as we begin the first day of our trek. It'll be a trek full of energy. Some of it will be coming through us and some of it is from your devotion.

A photograph of a mountain peak. In the foreground, a blue pillar stands on a rocky ledge, adorned with colorful prayer flags and several large black metal bells. To the right, a white stone building with a dark doorway is visible, also decorated with prayer flags. The background shows a vast, hazy mountain range under a blue sky with light clouds.

As we hike, we will witness the spectacular views of the Himalayas. The anticipation builds with every step, knowing that the panoramic reward awaits at Chandrashila.

Once we reach Tungnath, we will trek for another 1.5 kilometers and reach the highest point of our trek, Chandrashila Peak. Trek to Chandrashila Peak isn't a just summit trek but a conversation with the clouds, a place where you'll stand tall above the world, feeling the adrenaline rush and the beauty of the Himalayas will unfold beneath you.

Imagine watching a sunrise from this point. Witness the surreal 360-degree view of the Mountains of Garhwal and Kumaon - Nanda Devi, Trishul, Nandaghunti, Kamet, Dronagiri, Chaukhamba, etc. here. After our hearts are full with the time spent here, we will descend to Chopta and then drive to Sari.

Day 3

Trek to Deoriatal Lake and come back to Sari village. Leave for Dehradun in the afternoon. Fly back/take a bus to your respective cities.

Do you think the adventure is over? Not yet! Gear up for a jaw-dropping trek to Deoriatal! It will take about 1-1.5 hours to complete this 3 km distance. This one is for that slow traveler within you who wants to find peace in the mountains. Fewer conversations, less music, and more time with our thoughts. You need this.

Deoriatal is an alpine lake surrounded by snowy peaks. Sit by the lakeside and feel it all. There is no stopping you. If lucky, you can spot the reflection of the Majestic Chaukhamba Peak in the Deoriatal. When our hearts are full, we will trek back to Sari.

After a good meal, we will be departing for Dehradun.

It'll be time to bid goodbye to the mountains and with our heavy hearts and light backpacks, we'll start our journey to Dehradun. Hug tighter and smile wider because you've created some special bonds and core memories.
