## BALI TRIP

Sept 2024 • Solo

I recently went on a solo trip with Firgun Travels, and it turned out to be one of the most memorable experiences of my life. From the very beginning, everything was so well-organized and thoughtfully planned. Being a solo traveler, I was a bit nervous at first, but the warmth and energy of the group quickly made me feel at home.

A special shoutout to our team leader, Kajal, who truly went above and beyond to make the journey unforgettable. Her enthusiasm, leadership, and attention to everyone's comfort made a huge difference. She didn't just guide us through the trip—she helped create moments that we'll all cherish for a lifetime.

What made this trip truly special was how personal it felt. We laughed, explored, shared stories, and made memories that will stay with me forever. It was more than just a trip—it was an experience filled with genuine connections, beautiful places, and soulful moments.

Thank you, Firgun Travels, and especially Kajal, for turning a solo adventure into something so meaningful and heartwarming. Looking forward to many more journeys like this!

## The Amazing Bali !!!

Jul 2024 • Solo

This is my 2nd trip with Firgun. This trip was more than just a vacation. It was a much-needed one from the fast-paced corporate world, where one does not always have time to think of oneself, which can get stressful very quickly on a personal level.

Between all that, Firgun comes in with a carefully planned itinerary to cater to everyone's needs. They made the trip and the activities so fun yet relaxed, it was a transformative experience. The camaraderie among the group was electric, thanks to our incredible trip leader Anany Shukla, who fostered friendship and openness. The freedom to explore myself and disconnect from life's burdens was exactly what I needed.

Strolling through the streets of Bali exploring Balinese culture, the food, warm welcoming hearts of locals. Game nights, surprise acoustic nights, and rapid-fire rounds almost every night were exciting aspects of the trip in terms of knowing one's self and the beautiful souls who were on the trip.

The best moment of the trip was Scuba Dive in Gili Menon. A surreal experience. Although almost everyone is a non-swimmer and scared of diving in the the ocean, Anany's assurance, not just to take the fear away but explain what it would mean to us makes the experience leaps and bounds different. A true ZNMD moment filled with tears of joy and goosebumps.

### Special highlights:

Dinner with live music at Little Buddha ending with Indian music, and The Finns Club(Jägermeister shots were THE BOMB). The vibes were electrifyingly extraordinary.

The view of the ocean from Kelingking beach at Nusa Penida and the calm waves at the Diamond Beach.

I returned home feeling refreshed, inspired, and with a newfound sense of peace. This journey has created new bonds and memories that will last a lifetime.

I can't wait for another trip with Firgun.
